Year 3 Homework

Well done for using your measuring skills carefully to find the capacity of the jugs. (Remember to work out the intervals on the scale before you state the measurement). This week we thought it would be nice to do a crossword. Read the clues and check whether they are for the words that go across or down. Fill it in in pencil just in case the ones which cross over do not fit!

(Tables test - depends on group) Good luck!

Summer Crossword

Across

3. Moves or wafts air around to help people keep cooler
5. Pupils in Northern Ireland are off on their summer _____ in July and August.
7. Used for resting, features a folding frame and canvas
8. According to folklore, the weather on 15th July (St Swithin's Day) will dictate the forecast for the next _____ days.
9. Worn to protect eyes from ultraviolet light

Down

1. A flower with the scientific name Helianthus, named for the closest star to Earth
2. A large, colourful inflatable sphere often used in summer
4. Might be constructed at the seaside
6. In the Northern Hemisphere, the summer _____ occurs in June.
10. A cooler, shadowed place that people often seek in hot weather
