Christmas Decoration

Your homework this week is to design and make a Christmas tree decoration to hang on the tree in the front entrance.

Task:

1. You should carefully draw and colour your design plan in your homework book, labelling it with measurements and fold lines, etc. Use your imagination, be creative and have fun!
2. Make your decoration, write your name on it then hang it on the Christmas tree at school.
In the final week, a school governor will judge the decorations and decide on a winner!
