**Kindness, Excellence, Community, Respect and Aspiration**

Dear Parents and Carers

15 November 2024

The children (and staff!) looked wonderful in their spots and stripes today. Thank you for your generous donations. All money collected will be sent to the Children in Need appeal once it has all been counted. Ms Rowlands led our assembly this morning, raising awareness of the work that Children in Need do and also setting an 'on the spot challenge' between staff and pupils.

It was lovely to see so many of you at last night's parents' evening. The relationship between home and school is incredibly important to us and we know this relationship helps to ensure the needs of every child are fully met and children are fully supported in all aspects of their education and development. Just like you, we want the very best for your child! There are still a few appointments available for next week's parents' evening which you can book by calling the school office.

I am delighted to announce that we have received the Computing Quality Mark as we have been recognised for delivering high-quality computing education to our pupils, developing their digital skills and preparing them for the future. The Computing Quality Mark is awarded by the National Centre for Computing Education and recognises excellence of computing education offered by a school as part of their curriculum development through the Computing Quality Framework (CQF). You can find out more about our computing curriculum (and all other subjects) by visiting the curriculum section of our website. A special congratulations goes to Mrs Griffiths, computing subject lead, for successfully leading this initiative.

Next week is road safety week. Children will be learning about the importance of staying safe when out and about around our roads. Please help me to promote this important safety message by adhering to the rules in Bell Close. Children are invited to come in casual clothes with a theme of 'Be Bright, Be Seen' on Thursday 21<sup>st</sup> November to help raise awareness.

**Reminder of the School Street Scheme Rules** – It is an offence for motorised vehicles to be in, or to enter Bell Close during term time between 8.15 and 9.00am; and 3.00pm and 3.45pm except for permit holders and drivers with a blue badge.
