**Kindness, Excellence, Community, Respect and Aspiration**

Dear Parents and Carers

27 September 2024

## Book Fair

We are a 'reading school'. We believe that the teaching of reading is integral to a child's understanding and appreciation of the world around them, allowing them to explore possibilities both imagined and real and develop the vocabulary needed to express themselves effectively. As a staff, we model what effective reading looks like and share our enthusiasm about texts. We invite you to share this enthusiasm and come along to support our Book Fair which will be in the school hall next week, Wednesday to Friday 3.20-4.30 where families will be able to browse and buy a range of books and stationery. Please note that this event will be cashless.

**Sunday Cycle Event** Don't forget there will be a free cycle day on the school playground this Sunday, 10am-2pm. This event is open to people from the whole of the Scarborough and Whitby Area. Bring your bikes along for a free health check; tackle the cycle skills course; browse the pre-loved cycle sale; pick up learning to ride tips from one of the coaches; and take part in the family cycle treasure hunt. We are also looking to set up a bike library to enable us to loan bikes to families who don't have access to bikes, but also to create a swap shop for when children grow out of their bikes. If you have any old bikes surplus to requirement that you would like to donate to this cause, please bring it along on Sunday or let me know if you require help transporting it.

**Governors** Last night was the first governors' meeting of the year. I am delighted to announce that Mr Nathan Holden was co-opted onto the board. The governing Body of Seamer and Irton CP School is made up of 13 committed members who work tirelessly to make our school the wonderful place it is. The Governing Body comprises of myself, a local authority governor, six co-opted governors, four parent governors and one staff governor – thirteen in total. The full governing body meets six times each academic year.

You can find out more about our governors and the work they do by visiting the governors' section on our website.

**Safeguarding** Safeguarding pupils is the most important aspect of our job as a school and staff and governors undertake regular training. Our safeguarding and child protection policy can be found under policies on our website. You can also find details about what you should do if you have any concerns about the safety or wellbeing of any child by visiting the safeguarding section of our website or contacting one of our safeguarding team: Myself (Designated safeguarding lead) or one of the deputy designated safeguarding leads, Miss Simmons, Mr Caffrey or Mrs Elwick.

### Dinner Menu w/c 30 September 2024
