Dear Parents and Carers

28 June 2024

On Thursday 4 July, the children will have the opportunity to spend the day with their new teachers for the next academic year. We call this Shuffle-Up Day! Additional transition opportunities will also be provided for those children who need it most.

These are the classes and teachers that your child(ren) will be going to.

You will notice that three familiar names are missing from the table above. After 28 years at the school, Miss Chapman has announced that she will retire at the end of this academic year, as has Mr Reed after 11 years at the school. Mrs Fee will also leave us at the end of this academic year (after 10 years at the school) to take on a new challenge away from teaching.

I am sure you will all join me in thanking all these staff members for their remarkable service to the school, our pupils and our community over many years. I wish them all the very best for the future.

From September, Ms Rowlands will join our team as our Assistant Headteacher and Mrs Stewart will join our team as EYFS lead and class teacher.

SPORTS DAYS - The weather was certainly kind to us for this week's sports days. The EYFS children were a delight, as were year 4 and year 6 pupils who competed with just the right balance of friendly competition and outstanding sportsmanship and encouragement. We understand that these are important milestones for your children and expect that you may wish to take photographs. I must remind you of our policy for these images not to be shared publicly for safeguarding reasons. Thank you for your cooperation.
