Kindness, Excellence, Community, Respect and Aspiration

Dear Parents and Carers

31 January 2025

This week saw our girls football team perform magnificently at Pindar where they were unbeaten, winning six games and drawing one – this was despite playing with only 5 players in a 7-a-side tournament!

Curriculum - Our curriculum is based on the analogy of a learning journey. Each half-term, each year group starts a new learning journey (topic) with a launch. This is usually an immersive day or perhaps a visitor or an event to get the children enthused and launch the topic. As the learning journey reaches half-way, each year group receives a boost. This might be a trip, a visit, a visitor or a special event to boost the learning journey. At the end of each half-term, the learning journey reaches its destination. This is often a class assembly or performance, but can also be a trip, or an opportunity for children to share their work with another class.

This week we have seen a number of learning journey 'boosts'. Year 2 found a crime scene in Chestnut Class and the children used their detective skills to work out what had happened and who was the suspect as part of their learning journey, 'Once Upon a Time' and to introduce their new traditional tale, 'Little Red Riding Hood'. The children worked as a team to find clues and evidence to work out what had happened and who the culprit was!

Whitby Falconry visited Year 6 with a selection of exotic and feathered animals to boost their learning journey, 'Biomes'. You can find out more about your child's learning journeys by visiting the class pages on our website.

This week was Key Stage 2's turn for best effort awards. Every week one child is chosen from each class to visit me for a prize (alternating EYFS/KS1 and KS2). This week, some teachers found it too difficult to choose just one! Children sent to see me this week for best efforts were:

Y3 Ariaah, Adaline

Y4 Leighton, Poppy

Y5 Nieve, Orla, Elsie, Lily, Mason

Y6 Leo, Millie, Bethany, Kian

Collecting children – we understand that from time to time, your child may be collected by someone other than you or whoever usually collects your child. Please call the office or email your child's class teacher if someone different is collecting your child to let your child's class teacher know.

Communication – we are beginning to explore new communication platforms following our move away from Twitter/X. This work will be carried out by a subcommittee of governors in consultation with some of our parents and staff. It is important that we implement the right platform for our school and our staff, so please bear with us.
