Kindness, Excellence, Community, Respect and Aspiration

Dear parents and carers

4 April 2025

It's hard to believe we are at the end of another term and already looking forward to the summer term and all it brings.

Over The last two weeks our thoughts have turned towards Easter and we have enjoyed assemblies delivered by Reverend Claire and Reverend Geoff who have shared the stories and meaning behind the chocolate eggs that we are all hopeful we might receive!

Well done to all those who have taken part in this year's egg decorating competition. Mrs Mallory, our chair of governors, had the unenviable task of picking the winners who are pictured below with their prizes.

Year 5 enjoyed an Easter workshop with Faith in Scarborough Schools (FISS) on Thursday.

I am also delighted that Mrs Kaya visited year 1 on Thursday to teach our children about the Muslim festival of Eid. Gaining an understanding of different faiths and cultures is incredibly important to enable our pupils to thrive in the global society in which we live – Thanks go to Mrs Kaya.

EASTER BINGO

Thank you also goes to our STARS for organising Monday's Easter bingo, which raised £94.50 for school funds. Thank you to those who donated prizes and all those who attended.

As the term comes to an end, we've seen lots of lovely destination events take place across the school. Our launch, boost and destination events really support our pupils' personal development and ensure a broad and balanced curriculum:

Y3 performed a range of songs for parents as they took us on a journey through time, all the way back to the medieval period - thank you to all those who were able to attend.

Y4 re-enacted Roman shield formations lead by Centurion Hirst

The boys' football team were also in action for the final time this season at Pindar on Wednesday afternoon, winning two out of three matches.

This week's Best Effort awards were received by:

Class photos – you should have now received details of how to order your child’s class photo via email. To order your school **Group** photo the closing date for **free delivery** back to school is **Thursday 17th April 2025**. Order through the Tempest website using your unique link sent to you via email or visit www.tempest-orders.co.uk If you need any assistance in ordering your photos, feel free to contact Tempest on 01736 751555 (option 3).

Our school attendance target is 96%. The overall attendance so far this year is 95.35%. Thank you to all those families who are working with us to prioritise their child’s learning. We appreciate your working with us to achieve the best outcomes for your child. 95% and above is generally considered good attendance. If your child's attendance falls to 90% or below, the DfE categorises your child as PA or persistently absent. Data shows missing school will make your child fall behind in lessons and will impact on their academic progress and achievement. Parents of children categorised as persistently absent will have received a letter this week drawing their attention to this.

This term’s attendance:

Most improved year group: Y5
Best attending year group: Y6
Lowest attending year group: Y1

As always, if you require any support with attendance, please get in touch so we can help or signpost the appropriate support available to you.

We said goodbye to Mrs Deyes today who leaves us to take on an exciting new job as an Assistant SENCO at a local secondary school; we all wished her well in her new role during this morning's assembly.
