

## Homework – Summer 1

<p>Have a go at writing your own poem about Scarborough. Remember, capital letters for proper nouns. Challenge: Learn your poem and perform it. (English)</p>	<p>Measure items in your house to the nearest centimetre (cm). Draw and label them. Challenge: order them from shortest to longest. (Maths)</p>	<p>Have a go at the body percussion video below: <a href="#">Body Percussion</a> Make up your own rhythm, either by clapping or drumming using your body. (Music/Computing)</p>
<p>Our topic this half-term is sacred books. Write about a book that is <b>special to an adult at home</b>. What is the book called? Do they still have it? If so, how long have they had it? What makes it special to them? Did they get it as a present? (RE)</p>	<p>Find out about the life cycle of a chick. Draw it and label it. Explain what happens at each stage. (Science)</p>	<p>Draw a map of your journey from your home to school. Label some of the human and physical features. Can you add some road names? Challenge: Add your own symbols and a key to explain them. (Geography)</p>
<p>William Morris created artwork inspired by plants and flowers. His designs had floral patterns and he used block printing to repeat these designs. Make your own repeating wallpaper design using a 'printing block'. You can print with any item; it could be a potato you have shaped (with adult support), cotton reel, fork, pinecone, etc. (Art)</p>	<p>Choose an activity from the list below to embed your knowledge of the maths we have covered in class. Use objects, number squares and number lines to help you if needed and draw part whole models or base 10.</p> <ul style="list-style-type: none"><li>• Number bonds to 20 (e.g 12+8, 15+5)</li><li>• Money: Use the menu opposite (or make one of your own) to buy some items and work out how much you spend. How much change would you get from £5 or £10?</li><li>• Write numbers in digits and words (up to 100 but you can go further!).</li></ul> <p><a href="#">White Rose FREE Work Book - Multiplication.pdf</a></p> <p><a href="#">White Rose FREE Work Book - Division.pdf</a></p> <p><a href="#">White Rose FREE Work Book - Length and Height-2020.pdf</a></p>	
<p>*****</p> <p>We would also like all children to do the following things weekly:</p> <ul style="list-style-type: none"><li>• Read a minimum of three times to a grown-up/older sibling (please record this in reading records)</li><li>• Spend time on TTRockstars/NumBots</li><li>• Practise common exception spellings (these are in the back of homework books)</li></ul> <p>All passwords can be found in children's reading records.</p> <p>*****</p>		

## Menu

### Drinks

Tea.....	£1.40	Fruit Juice.....	£1.20

Tuna Sandwich.....	£2.50	Soup.....	£1.80
Cheese Sandwich.....	£2.30	Toasted Sandwich.....	£2.80
Bacon Sandwich.....	£2.60	Crisps.....	£0.60

### Desserts

Cupcake.....	£1.00	Biscuit.....	£0.80
Ice Cream Tub.....	£1.80	Chocolate Cake.....	£1.50
Ice Cream Cone.....	£1.50	Fruit Salad.....	£0.60
Ice Cream Sundae.....	£2.00	Currant Bun.....	£0.70

Every half term, your child will receive a homework matrix, like the one above, with activities that are linked to what we cover in school. We ask that one task is completed per week and that you initial and date each activity completed. Evidence of homework can be glued into children's books, photographs emailed to us, or items can even be brought into school! We will collect homework books in on a Wednesday morning.

We look forward to sharing your children's home learning!

Thank you for your ongoing support.  
The year 2 team
