Dear parents and carers

11 July 2025

This week has been extra busy in school with the last of our sports' days for this year and a number of performances for parents by Years 2 and 3 as part of their learning journey destinations – thank you for coming along and supporting these events.

Year 6 pupils also received their SATs results this week which I hope they are very proud of, we certainly are. Not all children achieved the expected standard, but every child tried their best and this was reflected in each and every score – Well done Year 6!

Unfortunately, our catering suppliers, County Caterers have informed us that school meal prices will rise by 14p from September. We are trying to look at ways we can bring the cost of school meals down and will inform you of any further changes. However, as it stands, from September 2025, school meals will cost £3.60 per day.

As the school year comes to a close, please can I kindly ask that parents check their ParentPay accounts and endeavour to clear any outstanding debts. If you need support with this, please don't hesitate to get in touch with myself or the school office.

This week's Best efforts awards were received by:
